Security Statement – Please read and sign

I understand that I will be in violation of TAMU SAP (29.01.03.M0.02 – Information Resources – Acceptable Use) if I gain or help others gain unauthorized access to the Aggie Card Crosswalk service.

Before data obtained from the TAMU Crosswalk service can be provided to a Cloud Computing Service or Cloud Service Provider, the Department as a custodian of the data is responsible for complying with TAMU SAP 29.01.03.M0.13 - <https://rules-saps.tamu.edu/PDFs/29.01.03.M0.13.pdf> which assures that the Cloud Service Provider’s security posture has been reviewed and approved by the TAMU Vice President for Information Technology and Chief Information Officer. The requesting Department will need to maintain this approval for the entirety of their contract with the Cloud Service Provider.

I acknowledge that neither I nor anyone else possesses the authority to provide or utilize crosswalk information for any purpose other than that which specifically applies to this department.

By utilizing the Aggie Card Crosswalk service, I acknowledge my responsibility for strictly adhering to university rules and I am aware that penalties exist for unauthorized access or unauthorized use or distribution of information from the crosswalk service.
