

National Laboratory Waiver Request Requirements

A certification from the employer must be submitted to Student Business Services and must include the following:

- Written on the National Laboratory Letter Head
- Reference Texas Education Code Section 54.369
- Student Name
- Student ID (UIN)
- Written and signed by Human Resources or Supervisor
- State that the student/parent understands this waives the non-resident portion of tuition and does not change the student's residency status.
- Needs to be submitted to ssb@tamu.edu by the student prior to the 12th class day for the fall and spring semesters and the 4th class day for the summer semesters.

The Texas A&M University System currently only has this agreement with Los Alamos National Laboratory and Sandia National Laboratory.
